

## Notes from CMB conference call

4/22/11

Attendees: James Chapman, Mike Brown, Doug Benton, Karen Mason, Joanne Waller, Alex Tovar, Mark Garland, Andy Gray, Jeri Billiard

- It was decided, due to the volume of new CR's, that defects would not be covered in this meeting. They would be referred to the programmers as a whole and they would review and repair in upcoming releases and updates.
- Covered CR's. See attached spreadsheet for notes on each.
- Action Items: Next release in June
- Old Business: Programmers and Jeri working on old CR's. Many already in testing. No foreseeable problems.
- New Business: James is going to get with Amanda and Becky concerning the CMB website and updates in the Quality Center website.
- Next Meeting: None scheduled as of yet.
