

This Quick Reference Card explains how to fill a request for a Exclusive Use (EXU) helicopter. EXU helicopters are contracted to a specific unit for incident support and have an assigned Master Roster. EXU helicopters always display on the Available tab. Treat EXU helicopters like any other agency-owned resource.

To fill a request for an EXU helicopter

- 1 On the **Request** menu, click **Pending Request**, or click **PR**
- 2 On the **Search Incidents** dialog box, search for and then click the **Incident** of your choice.
- 3 On the **Pending Request** screen, search for and then click the **Helicopter** request of your choice.
- 4 On the **Available** tab, click **Query** and then click the **Resource Name** of your choice.
*To show counts of available resources, click the **Show Resource Counts** check box.*
- 5 Click **Fill** and then click **Fill with Assignment Roster using Configuration**.

- 6 On the **Assign Roster** dialog box, complete the information as appropriate. Click **Commit Resources and Create Outstanding Requests**, click the **Set [Request #] as Filled** check box, and then click **OK**
- 7 On the **ROSS Confirmation Message** dialog box, click **Yes** to confirm or click **No** cancel.
- 8 On the **Fill Request** dialog box, click **Set Travel**, click **ATD** and then complete the **ATD** and **ETE** of your choice.
- 9 Complete the **Assigning Contact** text box, and then click **OK**
- 10 On the **Request Action Message** dialog box, click **OK**

Ross Confirmation Message

Requests will be created and filled for positions with assigned resources.

Any resources that are committed to a local, non-preposition incident will be reassigned.

For resources that are committed to a non-local incident requests will be placed to the current dispatch.

For non-local unassigned resources requests will be placed to the home dispatch.

Requests will be created for the remaining unassigned positions and become pending with your organization.

The original request will be set to filled.

Do you wish to continue?
